

ACCREDITATION FOR PROFESSIONAL SPORT AND EXERCISE SCIENTIST

Approval as an individual accredited by the South African Sports Medicine Association and recognition as qualified and experienced in the field of sport and exercise science will be confirmed by the issuing of a certificate that is to be renewed every 2 years, using the following parameters:

Accreditation Status	Required Score
Full Professional Sport and Exercise Scientist	≥ 25 points
Sport and Exercise Scientist in Training	10-20 points

Appropriate documentation & SASMA membership are prerequisites to apply for accreditation. The SASMA accreditation committee will review the application.

SASMA accreditation provides:

- Active marketing of your SASMA accredited status.
- Listing as an accredited member on the SASMA website.
- Individual certification for 2 years from the date of application
- Discounted registration fees for Biennial SASMA Congress
